

CRC Coil Cleaner Pro Aerosol

CRC Industries Australia Pty. Ltd.

I. Product Description

CRC Coil Cleaner Pro is an industrial strength foaming coil cleaner that effectively dissolves grease, oil and sludge from air conditioning and refrigeration coils. It is suitable for both evaporator and condenser coils.

CRC Coil Cleaner Pro is non-caustic and non-acidic and does not require rinsing from evaporator coil cleaning applications. Coil Cleaner Pro is suitable for cleaning small kitchen equipment, air conditioning and refrigeration filters, fan blades and blower wheels.

II. Features & Benefits

- Low Odour
- Does not contain hazardous Ingredients
- Will not produce toxic fumes.
- Dissolves Grease, Oil and Sludge
- For use on HVAC+R Coils
- Foaming Spray

III. Application Directions

Read Entire Label Before Use

1. Disconnect power before use
2. Shake can well
3. Spray product into the coil beginning at the bottom
4. Ensure the coil is fully saturated
5. Leave for 10 minutes before rinsing from condenser coils with water

In food processing areas: Remove or protect all food and packaging. Rinse with potable water after use if contact with food or packaging is expected.

IV. Typical Properties and Characteristics

Character	Aqueous degreasing foam
Colour	Colourless
NSF Registered	A1 163083
Propellant	Hydrocarbon

V. Package Description

Part Number Size

1752427 Aerosol 500g

VI. Special Precautions

Pressurised Container. Do not puncture, incinerate or store above 50°C. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Aerosol cans will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

First Aid:

Swallowed – Avoid giving milk or oils or alcohol. Not considered a normal route of entry.

Skin – Flush skin and hair with running water (and soap if available). Remove any adhering solids with industrial skin cleansing cream. DO NOT use solvents. Seek medical attention in the event of irritation.

CRC Coil Cleaner Pro Aerosol
