

# Hangover Relief

BAHR

**Unique Blend of Ingredients:** Combining super herbs, adaptogens, essential vitamins, electrolytes, and key minerals, it is carefully designed to address various aspects of health and recovery.

**Hydration and Nutrient Replenishment:** Aids in rehydrating the body after exertion, replenishing essential nutrients lost through sweat, and restoring natural electrolyte balance for sustained hydration.

**Clean Formula:** Crafted from high-quality, carefully selected ingredients, free from artificial additives, preservatives, or fillers, ensuring a pure and non-toxic blend for overall wellness.

**Recovery Support:** Providing vital nutrients and adaptogens, this blend supports the body's natural recovery process, helping to reduce fatigue, muscle soreness, and stress, while promoting quicker recovery and balance.
